We invite you to join us.

Together, we seek people interested in sewing, design, enhanced creativity, and continued learning.

Together, we build shared insight in ethical business practices and help develop the necessary skills to advance the sewing and design industry.

We meet at the Koelbel Library conference rooms on the fourth Monday of each month from 9:30 a.m. to 12:30 p.m.

The Association of Sewing and Design Professionals is a recognized global trade association for all sewing and design disciplines.
